

Ansøger	Titel	Dansk Institution	Bevilliget beløb	Samarbejdsland
Gertrud Ursula Pfister	Scientific Congress 2010: Body enhancement and (il)legal drugs in sport – a human and social science perspective.	Københavns Universitet	360.000	Kina
Peter Balling	Fiber-optic network activity (Fiona).	Aarhus universitet	242.755	USA
Lis Wollesen de Jonge	1 st International Conference and Exploratory Workshop on Soil Architecture and Physico-Chemical Functions “CESAR”.	Aarhus universitet	360.000	USA og Japan
Andreas Steen	China sound – Culture and Politics from the Gramophone to MP3.	Aarhus universitet	99.446	Kina
Timothy Charles McAloone	Eco-innovation exchange workshop: Sharing experiences and developing new methods for sustainable product and service development.	DTU Management	359.568	USA
Peter Bro Miltersen	Aarhus-Chennai Computational Complexity Workshop.	Aarhus Universitet	186.768	Indien
Pierre-Alain Monnard	Exploring synthetic properties of ice matrices at ambient temperatures and high pressures.	SDU	78.624	USA
Bo Stjerne Thomsen	Human Robot Co-Learning Teams.	Teknologisk Institut	293.940	USA
Ramjee Prasad	Joint Workshop on ”Green Energy” with focus topic on ”Cognitive Networks for Spectrum Management”.	Aalborg Universitet	360.000	Indien og Japan
Kirsten Drotner	Networking digital design research for cultural heritage.	SDU	194.400	Kina og USA
Zhao Xu	Operating Smart Grids under risks – addressing challenges and uncertainties.	DTU	360.000	Kina

Ansøger	Titel	Dansk Institution	Bevilliget beløb	Samarbejdsland
Jørgen Kjems	Nanomedicine Applied to Dental Science.	Aarhus Universitet	360.000	Kina
Sjurdur Frodi Olsen	Impact of dietary intake in pregnancy on offspring health and development.	Statens Serum Institut	225.720	USA
William George Tycho Willats	Plant cell walls as resource for renewable biofuel and health promoting biopolymers.	Københavns Universitet	324.000	Japan
Morten Jeppe Buch-Pedersen	PINCO – Pcovery India Collaboration.	Pcovery	20.086	Indien
Søren Dalsgaard	Neuroscience in child and adolescent psychiatry.	SDU	359.629	USA
Hartwig Roman Siebner	Mapping brain reorganization of higher visual and multisensory perception in sighted and blind individuals with magnetic resonance imaging and transcranial brain stimulation.	KU Hospital Hvidovre	45270	Israel
Niels Asger Mortensen	Electromagnetic Metamaterials.	DTU	194400	Kina
Thomas Bjørnholm	Synthetic Biology International Workshop 2010.	Københavns Universitet	360.000	USA
Moustapha Kassem	Indio-Danish Stem Cell Science: Proposal for Prospective Collaboration Workshop.	Odense Universitetshospital	154650	Indien
Hans Bisgaard	Large-Scale Genetic Study on severe Asthma in Childhood.	Dansk Børne Astma Center.	187642	USA
Lars Ove Dragsted	Foods for Health in the 21 st Century.	Københavns Universitet	355.680	USA

Ansøger	Titel	Dansk Institution	Bevilliget beløb	Samarbejdsland
Mogens Sandø Lund	Workshop on application of genomic information in animal and plant breeding.	Aarhus Universitet	194.400	Kina
Daniel Hardt	VP Anaphora in Danish and English.	CBS	102.600	USA
Henning Salling Olesen	Development of joint research projects in the area of Culture, Socialization and Learning Environment with a focus on innovative new way of learning. Knowledge dissemination for improved learning id different culture and society.	RUC	250.000	Kina
Xiaolin Hou	Establishment of scientific collaboration with Chinese institutions on environmental research.	DTU Risø	221616	Kina
Pernille Bjørn	Global software: Collaborative practices and collaborative technologies.	IT Universitetet	246.139	Japan
Yvonne Dittrich	Global Software – Software Design and Development with User Participation in Culturally Diverse Settings.	IT Universitetet	84.960	Indien
Bent Egberg Mikkelsen	Public large scale food systems as drivers for healthy and sustainable food consumption – a proposal for an International Network Programme.	Aalborg Universitet	360.000	Kina (Brasilien)
Niels Jacob Carstensen	Global Patterns of Phytoplankton Dynamics in Coastal Ecosystems: Comparative Analysis of Time-Series Observations.	Aarhus Universitet	260.784	USA, Kina og Brasilien
Jacob R. Bowen	International collaborative workshop on 3D analysis of solid oxide cell electrodes.	DTU Risø	173916	USA
Jens Kehlet Nørskov	Scientific workshop on “co—catalysts in photochemical fuel production” for sustainable energy solutions “ with participating researchers from international leading laboratories.	DTU	172.800	USA
Tomas Sokoler	Cross-cultural explorations of the design of new ICT based interactive products for physical rehabilitation in India and Denmark.	IT Universitetet	229.306	Indien

Ansøger	Titel	Dansk Institution	Bevilliget beløb	Samarbejdsland
Lars Henrik Andersen	The photo-physical properties of retinal.	Aarhus Universitet	100800	Israel
Michael Kühl	Environmental studies of Brazilian wetlands in relation to climate change.	Københavns Universitet	360.000	Brasilien
Peter Hauge Madsen	Risø – NREL Exploratory workshop and exchange visits in wind energy.	DTU Risø	360.000	USA
Kai Bester	Removal and fate of organic pollutants in the urban water cycle processes related to compounds like pharmaceuticals, biocides, personal care compounds.	Aarhus Universitet	181.513,90	Kina
Poul Erik Jensen	Improving plants for food, fuel and bioactive natural products.	Københavns Universitet	313.243	USA
Ravi Vatrapu	Comparative Informatics Workshop: Towards a Systematic Global Study of Information and Communication Technologies.	CBS	357.192	USA
Frank Hanns Paul Fitzek	Network Coding for Mobile Phones.	Aalborg Universitet	151.200	USA
Richard Ipsen	Knowledge Interchange between University of Copenhagen and Banaras Hindu University within Dairy Science and Technology (BHU-Dairy Science)	Københavns Universitet	161280	Indien
Chresten Træholt	Workshop on Energy Storage for Intermittent Renewable Energy Sources.	DTU	153.250	USA
Michael Evan Goodsite	Climate Adaptation and Mitigation: Global Challenges, Local Opportunity. DK-CLEAR.	Aarhus Universitet	316800	USA
Mia Rendix	The History, Culture and Philosophy behind Copyright: The Google Digitalization Project as Case.	Aalborg Universitet	70.560	USA

Ansøger	Titel	Dansk Institution	Bevilliget beløb	Samarbejdsland
Dennis Day	Practical Assembly of Global Research Education And Collaboration (PAGREC).	SDU	297.363	Kina, USA
Kirsten Drotner	Advancing digital design research for cultural heritage across China and Denmark.	SDU	36.706	Kina
Henrik Hautop Lund	International Conference on Robotics and Playware.	DTU	360.000	Japan
Tao Gu	On localization and Localizability of Wireless Sensor Networks.	SDU	138240	Kina
René Chester Goduscheit	User involvement in development of energy efficiency products and services.	Niels Bohr	259.068	USA
Magnus Wahlberg	Echolocation in Bats, Dolphins and Man. Fjord and Bælt og	SDU	306.240	USA
Jette Jakobsen	Vitamin Network – US-DK.	DTU Food	85.162	USA
Li Xing	The rise of China and comparative regional integration: socio-cultural and socio-political adaptation and the role of innovation and technology in East Asia and EU,	Aalborg Universitet	161.136	Kina
John Paulin Hansen	Gaze interaction for people with ALS. IT	Københavns Universitet	124128	Japan
